PROCEEDINGS OF THE DEPUTY COMMISSIONER OF BANGALORE DISTRICT

SUB: Use of computerised Land Acquisition process in **Assistant Commissioner, Bangalore South Sub-Division, Bangalore** of Bangalore district from 28.05.2011-reg.

REF: Government Circular No. RD 11 AQB 2011 Dated: 27.01.2011.

PREAMBLE:

The acquisition of lands under the Land Acquisition Act, 1894 starts with a preliminary notification issued under section 4(1) of the Act which indicates that a particular piece of the land is needed or is likely to be needed for public purpose. This is then followed by a final declaration under section 6 of the Act in respect of the land specified in the aforesaid notification. As of now all the above process including issuing of notifications is being done manually. This is resulting in a situation where the RTC in respect of acquired land many a time does not get updated in favour of acquiring body and continues to be in the name of the land owner.

Government vide circular referred above has now advised to use the computerised system for the Land Acquisition Process, where the software takes care of the entire process of Land acquisition i.e. from the preliminary 4(1) stage to the final award disbursal stage and the initiation of acquisition process would reflect in column 11 of the RTC. The district administration has put in place the computerised system in **Assistant Commissioner, Bangalore South Sub-Division, Bangalore** of Bangalore district. The Deputy Commissioner, through a formal order has to start the computerised Land Acquisition process at **Assistant Commissioner, Bangalore South Sub-Division, Bangalore.** Hence, the following orders:

Deputy Commissioner Order No. LAQ.CR.17/2011-12, Dated:28.05.2011

I, **M.K. Aiyappa**, the **Deputy Commissioner of Bangalore district** after careful consideration now direct that in **Assistant Commissioner, Bangalore South Sub-Division, Bangalore**, Bangalore district from the date of this order and for subsequent years will operate only on the computerised Land Acquisition process (and not the manual Land Acquisition process) and any Acquisition

through the software will only be valid. However, Land Acquisition initiated earlier to this order will still be done manually and would also be valid for all purposes. The Government will not recognise, from the date of issue of this order, any manual, generated Land Acquisition proposal/process/communication/notices starting from notice generation to final award in **Assistant Commissioner, Bangalore South Sub-Division, Bangalore** of Bangalore district. It will also not recognise any manual corrections on computerised notice orders. Notifications as such computerised notices/notifications/orders are being digitally signed. All the Government, Semi-Government and Local bodies are advised not to accept any Land Acquisition notifications with out digital signature or which has been manually corrected or modified as the document is digitally signed for the date of issue of this order.

Deputy Commissioner,
Bangalore District, Bangalore

Government vide circular referred above has now advised to use the computerised system for the Land Acquisition Process, where the software takes care of the entire process of Land acquisition i.e. from the preliminary 4(1) stage to the final award disbursal stage and the initiation of acquisition process would reflect in column 11 of the RTC. The district administration has put in place the computerised system in 1) Assistant Commissioner, Bijapur/Indi (2) SLAO Almatti/Indi of Bijapur district and Special Land Acquisition Officer, KIADB Dharwad in respect of Bijapur district. The Deputy Commissioner, through a formal order has to start the computerised Land Acquisition process at 1) Assistant Commissioner, Bijapur/Indi (2) SLAO Almatti/Indi of Bijapur district and Special Land Acquisition Officer, KIADB Dharwad in respect of Bijapur district. Hence, the following orders:

Order No. RB.LAQ/CR-03/2011-12, Dated:13.09.2011

I, G.S. Jiddimani, the Deputy Commissioner of Bijapur district after careful consideration now direct that in 1) Assistant Commissioner, Bijapur/Indi (2) SLAO Almatti/Indi of Bijapur district and Special Land Acquisition Officer, KIADB Dharwad in respect of Bijapur district from the date of this order and for subsequent years will operate only on the computerised Land Acquisition process (and not the manual Land Acquisition process) and any Acquisition through the software will only be valid. However, Land Acquisition initiated earlier to this order will still be done manually and would also be valid for all purposes. The Government will not recognise, from the date of issue of this order, any manual, generated Land Acquisition proposal/process/communication/notices starting from notice generation to final award in 1) Assistant Commissioner, Bijapur/Indi (2) SLAO Almatti/Indi of Bijapur district and Special Land Acquisition Officer, KIADB Dharwad in respect of Bijapur district. It will also not recognise any manual corrections on computerised notice orders/notifications as such computerised notices/notifications/orders are being digitally signed. All the Government, Semi-Government and Local bodies are advised not to accept any Land Acquisition notifications with out digital signature or which has been manually corrected or modified as the document is digitally signed for the date of issue of this order.

P.R. No. 396

G.S. Jiddimani,
Deputy Commissioner, Bijapur

PROCEEDINGS OF THE DEPUTY COMMISSIONER OF BIDAR DISTRICT

SUB: Use of computerised Land Acquisition process in Assistant Commissioner Office's and Special Land Acquisition Office (Karanja Project) of Bidar district from 23.07.2011.

REF: Government Circular No. RD 11 AQB 2011 Dated: 28.01.2011.

PREAMBLE:

The acquisition of lands under the Land Acquisition Act, 1894 starts with a preliminary notification issued under section 4(1) of the Act which indicates that a particular piece of the land is needed or is likely to be needed for public purpose. This is then followed by a final declaration under section 6 of the Act in respect of the land specified in the aforesaid notification. As of now all the above process including issuing of notifications is being done manually. This is resulting in a situation where the RTC in respect of acquired land many a time does not get updated in favour of acquiring body and continues to be in the name of the land owner.

Government vide circular referred above has now advised to use the computerised system for the Land Acquisition Process, where the software takes care of the entire process of Land acquisition i.e. from the preliminary 4(1) stage to the final award disbursal stage and the initiation of acquisition process would reflect in column 11 of the RTC. The district administration has put in place the computerised system in Assistant Commissioner's Office and Special Land Acquisition Office (Karanja Project) of Bidar district. The Deputy Commissioner, through a formal order has to start the computerised Land Acquisition process at Assistant Commissioner's Office Special Land Acquisition Office (Karanja Project). Hence, the following orders:

Order No. LAQ.CR.162/2011-12, Dated:08.08.2011

I, Sameer Shukla, I.A.S., the Deputy Commissioner of Bidar district after careful consideration direct that the Assistant Commissioner Bidar office shall operate only on the computerised Land Acquisition process (not the manual Land Acquisition process) and any Acquisition through the software will only be valid. However, Land Acquisition initiated earlier to this order only shall still be done manually and would also be valid for all purposes. The Government will not recognise, from the date of issue of this order, any manual Land Acquisition proposal/process/communication/starting from notice generation to final award in Assistant Commissioner office Bidar sub division of Bidar district. It will also not recognise any manual corrections on computerised notice orders/notifications as such computerised notices/notifications/orders which are being digitally signed. All the Government, Semi-Government and Local bodies are advised not to accept any Land Acquisition notifications without digital signature or which has been manually corrected or modified as the document is digitally signed from the date of issue of this order. This order comes into force with immediate effect and until further orders.

Deputy Commissioner,
Bidar District.

P.R. No. 397

PROCEEDINGS OF THE DEPUTY COMMISSIONER OF GADAG DISTRICT

SUB: Use of computerised Land Acquisition process in Gadag Land Acquisition Office of Gadag district from 08.09.2011.

REF: Government Circular No. RD 11 AQB 2011 Dated: 28.01.2011.

PREAMBLE:

The acquisition of lands under the Land Acquisition Act, 1894 starts with a preliminary notification issued under section 4(1) of the Act which indicates that a particular piece of the land is needed or is likely to be needed for public purpose. This is then followed by a final declaration under section 6 of the Act in respect of the land specified in the aforesaid notification. As of now all the above process including issuing of notifications is being done manually.
